Rosewood Community Association Newsletter

2019/2020 Winter (Vol. 6 No. 4)

President's Message

Hello Rosewood,

Time seems to be flying once again and winter is quickly arriving like it always does in Saskatoon. This year your board has worked hard and successfully delivered programs, events, raising money for local charities such as the Food Bank, and raising money and in-kind support for our outdoor rink project. You can find information on all the above and more in this awesome community newsletter!

With the quick passing of time it's hard to believe that my wife Claudine and I have been involved with the Rosewood Community Association board since its inception over 7 years ago! We have worked with many wonderful, passionate, and dedicated volunteers, 4+ City of Saskatoon Community Consultants, 2 City Councillors, and countless community residents. We have seen the annual family fun day grow from under 100 people attending our first to over 1300 participants in 2019. Our craft fair has rapidly grown into a recognized event that competes with the best of them, and our programming has expanded rapidly with the building of the new joint use schools. I believe we have one of the best community based webpages and the best community newsletter that you are reading today. But it's time to pass the baton to a capable group of newer volunteers. As of December 31, 2019 Claudine and I will be stepping down. I'd like to take a moment to thank Claudine Hentze for the exemplary work she has done for our community. She has been a critical part of our operations and we all extend a huge thank you for her contributions over the last 7 years leading communications, website and newsletter and coordinating both the family fun day and the annual craft fair.

We will be seeing all of you around the neighbourhood and at the next Rosewood event!

Wishing you all a very Merry Christmas and a Happy and Healthy New Year!

COMMUNITY ASSOCIATION (CA) RINKS NEAR ROSEWOOD

- * Briarwood: Briarwood Pond, 602 Briarwood Road
 - * Lakeridge: St. Luke School, 275 Emmeline Road
 - * Lakeview: Lakeview Pond, 175 Whiteshore Crescent
 - * Wildwood: Bishop Pocock School, 227 Avondale Road
 - * Rosewood: Arbutus Properties sets up a temporary rink as we continue to plan and fundraise for a permanent outdoor rink in Glen H. Penner Park.
- Visit CA websites/Facebook pages for more information, dates, hours, etc.
Visit City of Saskatoon for an interactive map of outdoor rinks in the City.

CROSS COUNTRY SKIING

The closest groomed track to Rosewood is in the Wildwood Golf Course which is maintained by the Nordic Ski Club. There is a 2.5 km classic skiing trail and a 5.5 km classic/skate skiing style trail. Visit City of Saskatoon for more information on this and other trails managed by the City of Saskatoon throughout the city.

SNOWSHOEING

All you need are a set of snowshoes and some snow. Hyde Park is a great place to explore in the winter or check out neighbouring Donna Birkmaire Park or the Wildwood Golf Course for wide open spaces to roam. Stay off the groomed ski trails please!

TOBOGGANING

Haven't tried toboggan hill in Rosewood's very own Glen H. Penner Park. Then grab a sled and head to the hill as it's a great new addition activity in our community!

WINTER BIRD WATCHING

There are plenty of birds that stay in Saskatchewan over the winter. Take a walk in Rosewood's parks to hear and see birds that call our parks home.

YOUNG NATURALISTS' (CBC4KIDS) CHRISTMAS BIRD COUNT FOR KIDS

JANUARY 2, 2020 - 9:45 AM - 3:30 PM (COME & GO)

Saskatoon Forestry Farm Park and Zoo

Meet at the Affinity Learning Centre

At the top of each hour you will head out for 30-45 minutes to look for birds and then head inside to warm up with hot chocolate and cookies! Dress warm and if you don't have your own binoculars there are spares to borrow. Free fun for the whole family!

SASKATOON PUBLIC LIBRARY

The Cliff Wright Branch in Lakewood Civic Centre and Round Prairie Branch in Stonebridge are the closest to Rosewood. Stop by a library and enjoy a wide range of free educational and entertaining programs for all ages. While you are there you can even pick up a good book to snuggle up with on those cold winter days! Visit Saskatoon Public Library for info.

Season will run for 8 weeks starting in January 2020 and will be held in the multi-purpose room at the Rosewood School. Session times will be held on Wednesdays from 6:00 pm - 7:00 pm. To register email the Soccer Coordinator soccer@myrosewood.ca.

* Please note that a valid Rosewood Community Association membership is required to register for programs. Other valid Community Association memberships will also be accepted. If you do not have a membership you can purchase a Rosewood Community Association membership for \$15.00 prior to or when registering for a program. *Late fee registration fee of \$ 5.00.*

Community Association Programs

Recently the City of Saskatoon made a change to their Leisure Guides which reduced the space for community association programs in them. With this change they also revamped the City's webpage for Community Association Programs. The new features on this site are easy to use and can be updated as program details change. This new tool provides you with easy access to search our community and neighbouring community programs to assist with your planning.

If you haven't checked out the new site make sure you do!

WE ARE LOOKING FOR VOLUNTEERS

PROGRAM COORDINATORS

We currently do not have dedicated program coordinators and need your help to offer more programs. If you are interested in helping even with only one program let us know!

NEWSLETTER COORDINATOR

Do you like writing? Our existing volunteer is stepping down and we need someone to work with advertisers, obtain and write content for our quarterly Newsletters.

SOCIAL COORDINATOR

We have had great success with our annual Rosewood events and would like to continue and potentially increase the number of events we offer. Unfortunately we no longer have a main event coordinator and need some volunteers to step in to help plan and organize the events.

MEMBERS -AT-LARGE

Have some free time but don't want to take on a specific role? Then this position is for you! You can lend a hand as needed.

PLEASE CONSIDER HELPING YOUR COMMUNITY!

2019 Event Highlights

We hope you were able to enjoy some of the Rosewood community events that the Rosewood Community Association ran this year!

HYDE PARK SHORELINE CLEAN-UP - MAY 25

Even with some cool and rainy weather we had an amazing small group of volunteers come out to help clean up Hyde Park during the Saskatoon's Nature City Festival. Thank you again to EcofriendlySask for supporting for this years event!

THEATRE IN THE PARK - JULY 7

Due to construction in Lakeridge's park we were lucky to once again have Sum Theatre perform in Swick Park.

"The earth is in a terrible way. The sun is too hot. The land is too dry. But the Young Ones are looking for hope...". It was a great performance! Stay tuned for the next performance in Rosewood in 2020.

6TH ANNUAL ROSEWOOD FAMILY FUN DAY - AUGUST 24

It was another amazing day with over 1,300 people coming out!

A special thank you to our generous sponsors who provided; financial support, donations, and/or volunteered their time, also thanks to our educational contributors who volunteered their time, and our wonderful Rosewood Community Association volunteers!

Their support allowed us to offer a free event with food, a petting zoo, pony rides, glitter tattoos, mascots, games, educational info, raffle prizes and more! Make sure to stop by next year.

5TH ANNUAL ROSEWOOD COMMUNITY GARAGE SALE - AUGUST 24

We had 27 Rosewood homes register for the garage sale. It was another successful day with lots of shoppers! Looking to declutter? Sign up for next years garage sale so your address is included in social media postings!

ROSEWOOD HOLIDAY CRAFT FAIR & TRADE SHOW - NOVEMBER 2

This was our 3rd year holding this event and it was an amazing success! We were just shy of 1,600 people that came out to do some holiday shopping at 100+ tables full of artisans, bakers, crafters. There were so many great vendors!

Thanks to everyone attended and helped us:

- * Collect 4 bins overflowing with non-perishable food items
- * Raise an amazing \$ 865 for Food Bank

We also donated over \$100 of perishable food items from the concession to the Friendship Inn.

This was such an amazing event! Thank you to all of the volunteers and everyone that made this such a success and allowed us to give back to those in need!

WHAT'S NEXT?

Plans will be starting soon for our annual events! Are you interested in helping with one of our annual events or is there another event you would like to see in Rosewood? Let us know.

Our main organizers for our events is stepping down and we need someone or a few people to step in and help.

The more people we have involved the more programs and events we can offer our community!

If you're interested in getting involved in your community please considering volunteering your time!

Participating in your community can be a rewarding activity.

Check our [website](#), sign up for our [mailing list](#) follow us on [Twitter](#) or like us and follow us on [Facebook](#) and stay up to date on Rosewood events!

Thank You to our Rosewood Family Fun Day Sponsors, Contributors and Volunteers.

We could not have this amazing event without your support!

Rosewood Updates

ROAD CONSTRUCTION

Roadway Connections to Meadows Market in Rosewood

The City of Saskatoon is working with developers and the latest news is that at least one of the roadways on the Rosewood community plan may be open within the year to connect Rosewood with the Meadows Market commercial area on the east side of Rosewood. Stay tuned for more details!

Taylor Street Primary Water Main Construction/Road

Construction continues at the east end of Taylor Street just past Rosewood Gate North. This work now incorporates the building of the Taylor Street road extension. The City of Saskatoon has advised that this project is set to be completed in 2020. Stay tuned for more details!

PARK CONSTRUCTION

Once Rosewood has been fully built out there will be numerous parks and green corridors in our community. For more updates on Rosewood park construction visit our [website](#).

Hyde Park (Phase II)

This fall the City of Saskatoon completed Stage 2 and part of Stage 3 enhancements to the park:

- * Placed a formal crusher dust pathway in the Southwest corner of the park to connect with existing pathways in Hyde Park.
- * Placed a formal crusher dust pathways at the North and South gates of the Dog Park to connect with existing pathways in Hyde Park.
- * Added more rip-rap (small-to-medium rocks) to the Dog Park area.
- * Installed outdoor sculptures within the park.
- * Enhanced naturalized plantings throughout the park (ongoing).
- * Developing interpretive and education areas to explain the significance of the naturalized park (2019/2020).
- * Stage 4: Naturalized Plantings (Over a few years).

Glen H. Penner Park

The park officially opened to the public late August and even though it was a short time for the kids to enjoy the spray park they definitely had some fun and it will be used a lot next year. Get our for a walk around the park and don't forget to grab your sled and try the toboggan hill!

ROSEWOOD OUTDOOR RINK PROJECT FUNDRAISING

The rink committee has been working with the City of Saskatoon to get additional information on the City proposed warm-up and multi-season building now planned for the park near the rink area. This structure will replace our initially proposed community funded warm-up facility. Our team continues efforts fundraising for the rink project and working towards tentative construction on a rink base in 2020 pending City approval.

For information on how you can become a sponsor or donate to this project, and rink updates visit www.myrosewood.ca/rink.

Winter Holiday Recipes

SHORTBREAD COOKIES

It's that time of year to make some holiday cookies that are simple and so much fun for the whole family to mix, shape, bake, and decorate!

 **PREP: 30 MIN**

 **COOK: 15-20 MIN**

 **APPROX. 24 COOKIES**

INGREDIENTS:

- ~ 1/2 cup corn starch
- ~ 1/2 cup icing sugar
- ~ 1 cup all-purpose flour
- ~ 3/4 cup softened butter

DIRECTIONS:

1. Sift together cornstarch, powdered icing sugar, white sugar and flour
2. Blend in butter until it becomes a soft smooth dough ball
3. Roll out dough to desired thickness
4. **Now for some fun!....** Using cookie cutters make different shaped cookies. You can add food colouring to make different coloured cookies, add sprinkles, or just leave the decorating until later.
5. Bake at 300°F for 15-20 minutes or until they are lightly browned.
6. After taking them out of the oven let them sit for a few minutes and then gently transfer the cookies to a cooling rack.
7. Once cooled completely you can decorate them with icing, sprinkles, chocolates, candies, whatever your favourite toppings are!

SLOW COOKER HOT CHOCOLATE

Handmade Gift Giving

Are you looking for some inexpensive and easy DIY gift ideas for family and friends? Here are a few ideas.

Personal greetings... Feel like doing some arts and crafts? Make holiday greeting cards and/or gift tags. Print off your favorite images or grab some construction paper (white or a variety pack), glue, and markers/pencil crayons/stamps/glitter and string/ribbon. You can even make them with just construction paper, pen/marker and cut them into a variety of shapes. They can be as simple or fancy as you want!

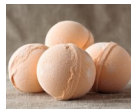

Rich and chocolatey... Grab a mason jar (or other container), fill it with layers of hot chocolate mix, chocolate chips, mini marshmallows. Decorate it with festive string/ribbon and maybe even a gift tag. A nice treat to warm up with on those cold winter days!

Yummy delicious treats... Bake some of your favourite holiday treats. The hard part will be trying not to keep them all home for you to eat! Package them in a plastic/paper bag, box/tin, then add a ribbon/bow and gift tag for that special someone to enjoy!

Bubbly bath bombs... Do you know someone who likes to unwind with long relaxing baths? Bath bombs are easy to make needing only 10-20 minutes of your time and a day to dry out. YouTube has lots of videos on how to make this simple gift that you can customize with a variety of colours and scents!

These are just a few things you can do yourself or families can do together to put some simple personal touches on this holiday season!

Pet Tips - Holiday Safety

DECORATING

- * **Christmas Trees** - ensure your tree is securely anchored so it does not tip over and fall. If you have a live tree, make sure your pet does not drink the tree water, as often it contains fertilizers or other chemical treatments. Make sure that ornaments are not accessible to pets and that your pets can't chew on any electrical cords.
- * **Avoid using tinsel** to decorate and be very careful with ribbon. Cats love to play with tinsel and ribbons, but it can be swallowed and cause life-threatening intestinal obstruction that can require major surgery.
- * **If you have simmering potpourri**, ensure that it is kept in a location that is not accessible to your pets. When ingested, it can cause irritation to the mouth, stomach upset, and depression.
- * **Toxic holiday plants** – Mistletoe, Holly, Christmas Cactus, Poinsettia, and many species of lilies are poisonous to pets. It is best to avoid having these plants around your house and consider having artificial plants instead.
- * **Diet** - The best treat you can give your pet is to keep them on their regular diet throughout the holidays. Avoid giving them high fat table food that can cause stomach upset, and don't give your pet bones. Turkey and chicken bones can splinter and cause intestinal blockages and perforations.
- * **Chocolate** can be extremely toxic to pets so make sure it is kept in a pet-proof location, and not under the Christmas tree.
- * **Safe toys** – just like the rest of the year, make sure you choose safe toys that your pet can't ingest, and check their toys regularly and replace those that show signs of destruction.

Pet Tips - Winter Safety

KEEP PETS INDOORS WITH YOU DURING THE WINTER MONTHS

- * If they must be housed outside, ensure they have an insulated shelter and a heated water bowl. Snow is not an adequate water source.
- * Protect your dog's paws from cold and salt by using booties or applying paw protectors, such as Vaseline. Keep fur between pads trimmed and keep feet dry.
- * Short-coated breeds may require coats or sweaters to stay warm when outside.
- * Keep your pet away from toxins such as anti-freeze (ethylene glycol).
- * Anti-freeze is deadly to pets if ingested – even in small amounts.
- * Before starting your vehicle, tap on the hood or honk the horn. Outdoor cats may seek warmth by crawling under the hood - this can result in tragedy when the engine is started.

Winter Home Safety

Are you ready for winter? With the frigid cold, windy, and snowy winter weather in Saskatchewan, it is important to be prepared in case of emergencies.

POWER OUTAGES

Loosing power in winter is not only inconvenient due to these extremes it can be dangerous. If you don't already have an emergency kit you should consider making one. The kit should include: flashlight, candles and matches, battery-operated radio, extra batteries, corded landline phone, warm clothes, blankets, first aid kit, 72 hours worth of water, non-perishable and ready-to-eat foods.

Do you have an emergency pan? If not, you should consider creating one your family can follow. Visit SaskPower for more information and power outage updates.

CHRISTMAS TREE / LIGHTS FIRE SAFETY

Did you know that the most common cause of holiday fires are linked to faulty lights and dry Christmas trees?

Christmas Trees - If you are setting up a live tree pick one with green needles that don't fall off when touched. Once home, cut two or more inches off the base, place in the stand and fill with hot water which will help the tree stay fresh longer. Then water normally at least daily. Never let it go dry! Place trees at least three feet from heat sources such as; fireplaces, candles and heating vents.

Christmas Lights - Should be CSA (Canadian Standards Association) approved, check to make sure they are not damaged before using, and never leave lights on when not home or going to sleep. Remember artificial trees are also susceptible to fires so don't forget to check the lights on pre-lit trees before using them as well.

Disposing Trees - Take down live trees before they become a fire hazard. After the holidays you can drop it off at the Wildwood Golf Course parking lot between Dec 26 - Jan 31 to be chipped for compost/mulch. If you miss

these dates you can keep in in your yard and drop it off at a compost depot in mid-April. Have an artificial tree? Help keep it out of the landfill by selling or donating used trees so another family can enjoy it!

Smoke Detectors - Check your smoke alarms and test them monthly. Your family should know what to do when a smoke alarm sounds. Have a plan and rehearse it. Planning ahead can save lives!

Give. In a word, we believe in the multiplying power of generosity.

With one simple action, you can spark something greater than yourself. That's what Bob James did back in 1962 when he founded Raymond James. He believed a business had a responsibility to generate more than profits. Today, we continue his legacy in words and actions as we seek to go forward by giving back.

LIFE WELL PLANNED.

CHRISTMAS CARDS

The first Christmas cards were commissioned by Sir Henry Cole and illustrated by John Callcott Horsley in London on May 1, 1843.

The image showed three generations of a family in the centre raising a toast to the card's recipient with scenes on each side showing charity, with food and clothing being given to the poor.

In the 1840's the "Official" Christmas cards began with Queen Victoria. The British royal family's cards are generally portraits reflecting significant personal events of the year.

CHRISTMAS TREES

The modern Christmas tree was developed in Germany and was traditionally decorated with roses made of coloured paper, apples, wafers, tinsel, and sweetmeats. In the 18th century, candles were placed in trees which were ultimately replaced by Christmas lights due to the invention of electricity. Today, decorations consist of items such as garland, tinsel, glass, wooden, fabric and plastic ornaments. The topper is traditionally an angel or star, however there are many other toppers available now. Edible items such as candy cane, gingerbread, chocolate and other sweets are also popular, and are tied to or hung from the tree's branches with ribbons.

The tradition of a Christmas tree was introduced to Canada in the winter of 1781 by Brunswick soldiers from Germany stationed in the Province of Quebec to garrison the colony against American attack.

General Friedrich Adolf Riedesel and his wife, the Baroness von Riedesel, held a Christmas party at Sorel, delighting their guests with a fir tree decorated with candles and fruits.

CHRISTMAS CAROLS

A Christmas carol is a song or hymn sung during the holiday season. You may see and hear carollers singing in many public places like the mall, on the street or going door to door bringing good tidings and joy during the holiday season.

It is believed that the first known Christmas hymns may be traced to 4th century Rome. In the 12th century a Parisian monk began to derive music from popular songs, introducing something closer to the traditional Christmas carol. The publication of Christmas music books in the 19th century helped to widen the popular appeal of carols. Many of the traditional carols are still sung today.

HANUKKAH

Hanukkah is a Jewish holiday that is celebrated with a series of rituals performed daily during the eight day holiday. Every night a candle on the menorah is lit and a present is exchanged.

A dreidel is a four sided top children traditionally played with during Hanukkah.

Dates for Hanukkah are based on the Hebrew calendar and begins this year on the evening of December 22 and ends on December 30.
