

## MESSAGE FROM THE PRESIDENT

Happy Spring!

With the weather warming up, snow piles are shrinking, and walking paths are drying up. I am encouraged by the number of people out walking each day and the kids on bikes. Please keep an eye out for pedestrians, children running out from between cars, and kids on bikes if you are driving through Rosewood - sometimes they can't see you fast enough to keep themselves safe!

The Rosewood Community Association board members are working hard to host our Annual General Meeting virtually on April 15th at 7:00 PM. The link for this meeting is on our website! We will present our latest financials, updates to our policies and governing documents, an update on the rink fundraiser, and information on parks among other important neighborhood news.

I would like to thank the rink coordinator Brett Magnussen and his team of volunteers who coordinated a very successful bottle drive this winter raising just over \$10,000.00. If you have bottles and cans, you can always bring them to Sarcan Drop and Go to donate to the Rosewood rink project.

A big welcome to Jay Keating, Mike Riou, and Jeremy Ring for joining the board since our last newsletter was published in December. We have filled a number of important positions and we are looking forward to the AGM in April to fill other areas of need.

As far as spring and summer programs, we are anticipating that outdoor soccer will be running, a babysitting course, and hopefully more. If you have any requests for programming for Fall/Winter please email us at [program1@myrosewood.ca](mailto:program1@myrosewood.ca).

If you have any questions or just want to know more about the Rosewood Community Association please feel free to drop into our virtual meetings on the first Tuesday of every month. The link can be found on our website as well as our Facebook page.

Spring 2021 Newsletter

## Meet Part of the Rink Project Team

The RCA has had strong momentum fundraising for the rink project over the past few months thanks to a team of dedicated volunteers and generous donors. In this newsletter, we would like to recognize two key volunteers who have been instrumental in the fundraising efforts. Jarrett Goettler and Colin Baerg have been involved in the rink project since 2019 and share a desire to help build a first-class community rink for all residents to enjoy.

Jarrett and Colin kicked off the rink fundraising campaign with an event at Boston Pizza in 2019 then continued to utilize their wide network of like-minded community builders by securing a steady stream of donations through 2020. Jarrett organized the January 2021 bottle drive and coordinated 40 volunteers that day, which raised over \$10,000! Jarrett is a Division Director with IG Wealth Management and Colin is the Regional Director of the firm. They lead a team of financial consultants who help individuals and business owners navigate the complexities of tax and investment planning. Outside of work, Jarrett enjoys spending time with his wife Shelane and two sons Braxton and Ben. Colin and his wife Kelly recently welcomed their third child Liam, a little brother to big sisters ages 4 and 2, Emerson and Nora.

# Meet Your Community Liaison Officer

Telephone: (306) 975-2267  
Email: east.clo@police.saskatoon.sk.ca

The Saskatoon Police Service has three members designated as Community Liaison Officers. The CLO's fill a valuable outreach role for the police service and the community. They liaise with a multitude of government, business and community groups focusing on proactive community safety strategies.

CLO's utilize the Crime Prevention Through Environmental Design (CPTED) program. They also assist the Crime Free Multi Housing (CFMH) program by holding meetings and safety socials, and providing presentations to apartment managers and owners of the rental properties.

CLO's play a valuable role in the Stolen Auto/Break and Enter Task Force as well, which was created to address the rising number of offences. The CLO's are an extension of the community where they involve "target hardening" strategies and creating awareness. In addition, the CLO's organize and oversee the Community Police Academy, Cooperative Policing Program, Citizens Patrol Program, conduct numerous presentations, are involved in Violent Threat Risk Assessments (VTRAs) and participate in various committees such as the Safer Communities Task Force. In addition, they are also involved in Active Shooter training for non-school organizations (malls, airports etc.).

CLO's assess the community's needs through direct contact with various organizations and provide feedback to members of the service to help create strength and unity within Saskatoon communities.
