

MESSAGE FROM THE PRESIDENT

Last year (2020) was certainly filled with challenges and changes for your Rosewood Community Association. We have had to cancel our summer family fun day, programs for fall, and our annual craft fair. We had our first ever virtual AGM and welcomed a number of new board members. I'd like to welcome Tim Bergsma into the vice president role, Chelsey Pastachak to the program's role, Scott Hunter to the membership role, Rebecca Picot to the secretary position, Oyin Ajibola to the communications/newsletter position, and Sharon Riou as a member at large. We have had a number of people shuffle positions to gain new experience. This year will be a year of growth and learning for our group. We are still looking to fill our treasurer role as well as numerous other positions within the board and we welcome any member of the Rosewood community to join us! Our meetings are open to all and we will post a link to our monthly meeting on the website and Facebook.

Rosewood has seen some growth this past year with the development of linear parks and Glen Penner park. This year, we can look forward to more development in Glen Penner park including: program/warm up space, accessible washrooms, community storage area (including water connection for future outdoor rink), city mechanical area, and a pathway connection to building. The Rosewood rink committee is currently fundraising for a community rink, you can contribute by making a financial donation or in-kind donation. Please see our website for more details.

Through the holiday season I hope you spent time safely with those you love either virtually or otherwise. As we look forward to some sense of normalcy into 2021 and put 2020 into the history books, please continue to stay safe and healthy!

ROSEWOOD HOLIDAY CRAFT FAIR AND TRADE SHOW

The Rosewood Annual Holiday Craft and Fair show is usually held in November to enable community members to jumpstart their holiday shopping. The show features spectacular vendors selling everything from art, baking, fashion, jewelry, holiday décor, and so much more!

However, for the safety of everyone in the community, the show was cancelled in 2020 in line with the provincial government's recommendations on public gatherings due to COVID-19.

In an effort to support small businesses at this difficult time, we dedicate the following pages to our past vendors and invite community members to buy from them. Please feel free to contact any of the vendors below for your purchase.
